Streamlined Sales and Use Tax Agreement Certificate of Exemption

This is a multi-state form. Not all states allow all exemptions listed on this form. Purchasers are responsible for knowing if they qualify to claim exemption from tax in the state that would otherwise be due tax on this sale. The seller may be required to provide this exemption certificate (or data elements required on the form) to a state that would otherwise be due tax on this sale.

The purchaser will be held liable for any tax and interest, and possibly civil and criminal penalties imposed by the member state, if the purchaser is not eligible to claim this exemption. A seller may not accept a certificate of exemption for an entity-based exemption on a sale made at a location operated by the seller within the designated state if the state does not allow such an entity-based exemption.

1 Check if you are attaching the Multistate Supplemental form.

NC If not, enter the two-letter postal abbreviation for the state under whose laws you are claiming exemption.

Dear Mr. Flood:

Pursuant to your recent application, we are assigning your agency exemption number 400021 as its authority for purchasing items subject to sales and use tax without payment of tax to vendors.

This exemption number should only be used for direct purchases that are within the scope of the exemption provided in G.S. 105-164.13(52). The exemption number constitutes authority for vendors not to charge North Carolina sales and use tax on sales to your agency. If your agency purchases items with an exemption number and the items are not used by the agency, then your agency must remit the applicable sales or use tax that should have been paid on the items purchased, plus interest calculated from the date the tax would otherwise have been paid.

If you have questions regarding the use of this exemption number, please advise.

Very truly yours,
